# OfficeMax, the only solution you need.

## Solutions

ChamberSolutions understands what's important to your business - the bottom line. With that in mind, why pay manufacturers' suggested retail price on office supplies when you can get the same top-quality products for a lot less - up to 85% less.

OfficeMax carries **thousands of office supply items**. Everything from address books to zip disks. Whether you shop at one of more than 1000 convenient retail locations, or you place your order via phone, fax or Internet, one thing's certain, OfficeMax recognizes that you have *your thing* - making your business a success. So, *what's our thing?* Working hard to help you achieve it. With a relentless focus on you, OfficeMax is a leading provider of office products and services, delivering:

**Experience** - more than 40 years in the industry

**Customer Service** - personalized service for over 500,000 customers worldwide

**Innovation** - through unique and ground-breaking reporting tools

**Measurable Results** - that increase your buying power and efficiency

## Contract Pricing

### Say goodbye to retail prices.

**As a member** of your local Chamber of Commerce, you are eligible to participate in an exclusive money-saving program designed specifically for Chamber member businesses.

Discounts range from **40% to 85% off** manufacturers' suggested list price. Whether you like to shop online or at a convenient retail location, OfficeMax offers you negotiated contract pricing, which means you don't pay retail prices or program fees. In addition to these remarkable discounts, your orders are shipped directly to your door, free of charge.

## Retail Connect Card

### Negotiated savings are in the cards.

Need office supplies but fear paying full retail price? Now, getting contract pricing at a store near you is easy. When you reach the checkout counter, simply hand your Retail Connect Card to the clerk and you'll receive **instant deductions**. Your contract is built into the card, so when it's scanned, it automatically **gives you the lowest price**. You can order, distribute and track your cards at the company level, department level, or even issue them to specific individuals.

## Ordering

### We've made it fast and easy.

Although there are no minimums, order size is one of the major components for the special contract pricing. When possible, we recommend **once-a-week ordering** to help keep costs as low as possible.

For your convenience, you can **place orders by phone, fax** or through the **Internet**. Additionally, OfficeMax Customer Service Centers are open Monday through Friday from 7:00 a.m. to 11:00 p.m. and on Saturdays from 9:00 a.m. to 3:00 p.m. (Eastern Time).

## Delivery

### There when you need it.

Orders received by 4:00 p.m. are processed the very same day. In-stock items are then shipped for "next day" delivery. Special order items and non-stock items may take a couple of extra days. And as a bonus, all merchandise is shipped directly to your door, **FREE** of charge. Remember, if you "**need it now**", you can always use your **Retail Connect Card** to make purchases at an OfficeMax retail store.
